QUOTA INTERNATIONAL OF WATERLOO

October, 2009

FROM PRESIDENT ANN TIPPETT...

Go _____! (fill in the blank with your favorite team) It is World Series Time and the Play-offs are coming to a close. Recently, I had the opportunity to attend the Central Area Meeting. While at the Central Area Meeting 4-Cardinal Baseball Tickets were given to my cousin Mary Ellen Grayson. What a great opportunity to see the play off game, live.

Our District 7 Governor, Mary Jane Kiefer is a huge Cardinals fan, I had no idea! We had the opportunity to go and enjoyed the game together with my cousin and my Uncle Chuck Schaefer. What fun! Well ladies while at our Central Area Meeting I felt like we were at the play offs. Our District Governor shared much information about District 7. It is with GREAT pride and heartfelt warmth to announce, that our Quota International of Waterloo Club---Is a FANTASTIC TEAM!! We, ladies, are involved in many, many service projects, fund raisers, social events, etc., which does not go unnoticed. Mary Jane did a fantastic job talking about District 7 and our club stood out! It is because we have so many wonderful members of our club who work hard to organize and make our club so successful! Congratulations to all of our members!! GO Quota International of Waterloo!! My favorite team!!

CLUB NEWS

Sandy Lawry and the **DISADVANTAGED WOMEN and CHILDREN'S COMMITTEE** would like to remind everyone that we are still collecting gently used clothing for children up to size 6. These clothes will be given to AEA 267 Service Coordinators for distribution to families in need. You may bring these clothes, as well as, toiletries for the House of Hope to any meeting.

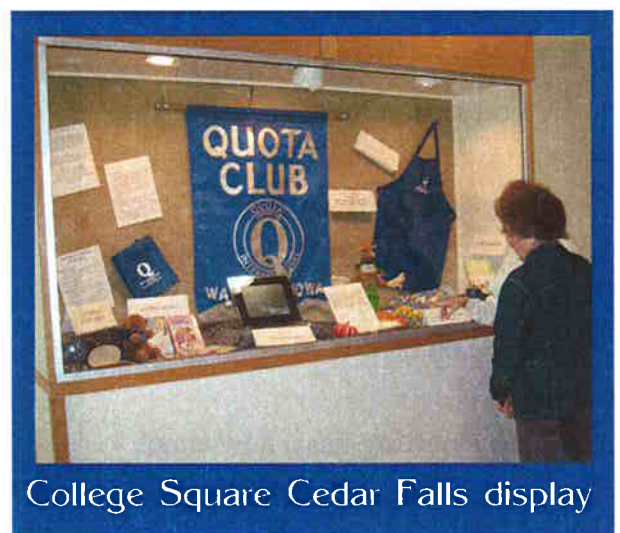

On the Monday September 28th, Peg McDonald delivered blankets that were handmade by our Quotarians to all of the children who live at the **House of Hope**. Peg labeled each blanket as made by Quota 2009 and the child's name. Peg took pictures and will soon share more about this worthy project.

Have you seen the awesome Quota display at the College Square Mall in Cedar Falls? Linda Woock and Eileen Gunderson from the **GROWTH and DEVELOPMENT COMMITTEE** are the responsible parties. The display remains until October 31st. Don't miss it!! You won't see it again until next March.

Marcy Hartleip and the **NUT COMMITTEE** report that sales are now in full swing! Over 6,000 pounds of nuts have been delivered and only positive comments have been heard about their quality. Eileen Gunderson reported the following from one of her customers: "I delivered nuts to my boss yesterday, who is very particular about his nuts. After lunch he came into my office raving about the cashews he'd sampled. He said they were the best he'd ever tasted - and promptly ordered more."

In a recent Quota Update from International, October has been designated as Healthy Hearing Month. To promote this the **SPEECH and HEARING COMMITTEE** has made earplugs available for distribution. If anyone has a business that would be willing to set out a basket of these earplugs, please contact Eileen Gunderson. Earplugs are also available at the Kimball Ridge Nut Room, and Quotarians are encouraged to give them to their nut customers.

Thank you, President Ann Tippett for organizing the **Community Day** on September 26th at College Square Mall. Liz Poole, Marsha Stroh, Rose Quirk, Ann Tippett, Theresa Sterrett and Eileen Gunderson manned the Quota booth and spread the word of Quota to many that day.

OUR QUOTA FRIENDS

Both **JEAN** and Dick **MOORE** have lost a sister. Jean's sister, Doris Newman, age 89, passed away on 9-10-09 from complications due to a fall in her home in Martelle, Iowa. Doris was a stepsister that Jean found in 1998 after her mom passed away. Dick's sister was Marilyn Kobliska of Waterloo. She was 73 when she passed away on 10-9-09 of natural causes. Jean and Dick, we were all so sorry to hear this news.

VICKI and Jeff **GRIMES** just returned after spending 9 days in Chicago for the birth of their first grandchild, Isabelle Marisa Siegel, born to Tiffani and Ryan on October 5th. Congratulations to the Grimes and the Siegel family. We are all anxious to see more pictures of this precious baby.

Quotarians were saddened to hear that **CAROLE HANSON** lost her father-in-law in September. Lynn Hanson passed away in September, while Carole and Jeff were in France visiting their daughter, Lauren, who is a nanny. Please accept all of our sympathy, Carole and Jeff.

OLETHA and Jerry **O'DONNELL** have had a very busy fall celebrating birthdays of their grandchildren. They were in Kansas City the weekend of September 26 to celebrate Caitlyn's first birthday, then to Iowa City on Saturday, October 10, to celebrate Olivia's third birthday (October 13). On the weekend of October 17th everyone gathered at the O'Donnells for Caitlyn's birthday, Connor's (October 27), and Irelynn's birthday (November 1). They are all turning 3. What an exciting houseful this must have been, Oletha!

YEARBOOK UPDATES

Please change the following in your 2008-2009 Yearbook:

Meet Our New Member...

Our new member, Jeanne Speas is sponsored by her cousin, Eileen Gunderson. Jeanne lives in Waterloo, but

grew up on a farm near Hudson. Her mother resides in Friendship Village, as her father passed away in 2008. Her brother lives in Minnesota and works on a dairy farm.

After high school, she studied at Iowa State University and graduated with a degree in Family Services. However, Jeanne's career took her into Banking. In 1998, she took a position in Madison, WI, called Banker's Bank, a bank for banker's. Jeanne is responsible for sales in the eastern half of Iowa and works out of her home. She goes to Madison once a month for a meeting with the rest of the sales team. Jeanne says, "most of my days are spent driving around and visiting bankers. I love my job, have made many friends, and I am proud that women are now moving up the ranks in the banking industry and actually making headway."

Jeanne's family consists of husband John, Michelle of Nashville, and Scott of Cedar Rapids. Jeanne's hobby is making bead jewelry. Since she spends a lot of time traveling for her work she says, "evening meetings attracted me to Quota and the opportunities to give back to the community in the real sense of the word..."

Welcome to Quota, Jeanne.
